RE: MSDS EXEMPT LETTER

Reit Price Company is not required to provide MSDS documents for our products as they are not deemed hazardous per the Occupation Safety and Health Administration (OSHA) Hazard Communication Standard 29 C.F.R.1910.1200(b)(6)(iv). All products manufactured by Reit Price Company are considered "articles" according to the publication.

An "article" is defined as a manufactured item: (i) which is formed to a specific shape or design during manufacture; (ii) which has an end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use. All Reit Price Company manufactured products are considered "articles" under the OSHA Standard, and therefore do not require MSDS, as they meet all of the criteria described in the OSHA Standard 29 C.F.R.1910.1200(b)(6)(iv) under normal use.

Sincerely,

Thomas W Kerns  
President
